day 2

Acclimatization - we suggest two activities that can be done on one's own:

Otavalo - visit to the indigenous market (on your own)

This market in the Plaza de Ponchos is without a doubt the most famous indigenous market in Ecuador. You will find a huge selection of artesanate. The best day to visit this market is on Saturday. There are 4 markets going on simultaneously in different parts of the city. But the artesanate market now also goes on the other days of the week - it is much quieter then. This in turn has its advantages.

Hike to Peguche waterfall (on own)

The 18-meter-high Peguche waterfall is located 4 kilometers south of Otavalo in a beautiful natural park... The local population of Otavalo celebrates the solar festival of Inti Raymi there on June 21. During several days purification rituals are held here. But also during the rest of the year the park is worth a visit.

Hacienda Cusin - standard room double with breakfast
